

# ZAP

## TOTAL VEGETATION KILL (READY TO USE)

### DESCRIPTION:

This product is a specially formulated, non-selective herbicide that offers kill control over a wide variety of annual and perennial weeds and grass. It also offers residual action, making it the perfect herbicide for long-lasting weed control or as a semi soil treatment. ZAP has a year long residual allowing a convenient application of once per year.

### FEATURES & BENEFITS

- Recommended for use only on non-cropland areas.
- Highly recommended for municipal weed control.
- VOC Compliant.
- Use to control annuals and perennials.
- Long-lasting residual action, soil treatment.

### APPLICATIONS:

- Non-cropland areas.
- Around buildings.
- Industrial sites.
- Railroad right-of-ways.
- Loading ramps.
- Parking lots.
- Fence rows.
- Storage yards.
- Tank farms and more.

### DIRECTIONS:

Apply one gallon per 1000 square feet (43.5 gallons per acre) of undiluted weed killer after the most predominate weeds have emerged.
